- External Delegates
- Apex Executive Recruitment
- FAQ's
- Final Remarks

Finally, after what felt like a neverending break from the books, classes resumed in full force this month! While this might be a good thing for some, and a bad thing for others, all can agree that it feels good to be back! January was an extremely successful month for the APEX team, as we continue to prepare for the conference that is now only two months away.

## APPLICATIONS

Applications came in record amounts in December, and were sorted, carefully analyzed and marked by the team. Acceptances were finalized and sent out. We look forward to seeing all accepted delegates at the conference in March.

## EXTERNAL DELEGATES

We are extremely excited to be hosting delegates from across Canada at the conference this year. Students from British Columbia to all over Ontario and in-between will be arriving in Toronto in March to partake in the APEX event.

## APEX EXECUTIVE RECRUITMENT

Ever wanted to be a part of the team that plans the APEX conference? Recruitment for the 2010 APEX executive committee will begin once the conference has taken place. Not only is being an executive member challenging and rewarding, but you will have the advantage of being noticed by our corporate sponsors. We encourage all to apply!

## FAQ's

Want more details about the conference? When to arrive? What to wear? Where to go? Deadlines for workshop selection? Well all of these questions and more can be answered the FAQ section on the APEX site which can be accessed at [www.apexconference.com](http://www.apexconference.com). Of course, you can always e-mail [info@apexconference.com](mailto:info@apexconference.com) for any further or specific concerns.

## FINAL REMARKS

For those who were accepted to the conference this year, congratulations! For those who weren't, or chose not to apply this year, we encourage you to do so next year. Stay tuned for updates, and best of luck to all on your coming exams!
